Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 0400 on Wednesday 26 May 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunshine and the odd shower in west, cloudier in east.

Today:
Mainly dry with sunny spells for the Great Glen and the west, the odd heavy afternoon shower in Lochaber, warmer. Staying cloudier and cooler over the north Highlands, Lewis and Speyside. Maximum temperature 16 deg C (61 deg F).

Tonight:
Staying dry but quite cloudy in the north, less cloudy for Skye and Lochaber. Mist or fog forming readily in the lighter winds and feeling quite chilly. Minimum temperature 3 deg C (37 deg F).

Thursday:
Overall a dry and sunny day and feeling pleasantly warm, however it will start quite cloudy for the north and the Hebrides. Light winds again. Maximum temperature 18 deg C (64 deg F).

Outlook for Friday to Sunday:
A little bit of rain around the west coasts on Friday, drier further inland. Saturday and Sunday generally dry and fine but becoming windier later on Sunday.
